

## **‘March Together’ says thanks**

On behalf of the ‘March Together’ Committee, I would like to thank the many volunteers, sponsors, walkers and pledge donors for supporting the 4<sup>th</sup> annual ‘March Together’ walkathon. Your generous contribution of time, talent, sponsorship and pledges contributed to the success of this year’s march.

As a result of your efforts, over \$10,500 was raised to help the most vulnerable in our community of Grey-Bruce with emergency support services. The proceeds will be shared equally by the six host organizations (Canadian Mental Health Association Brunch Program, OSHaRE Hot Meal Program, Safe ‘n Sound Housing Crisis Support, Salvation Army Food Bank, United Way of Bruce Grey Utility Program and YMCA Housing Support Services) to help people who are living in crisis from hunger, cold and homelessness.

By supporting ‘March Together’, you are improving lives. Thank you! Your support is sincerely appreciated.

Susan Hewitson  
Chair, ‘March Together’ Committee
