School Supplies

Backpacks are created on two factors—gender and grade level.

Four grade levels are created to ensure that the right supplies are provided for the right age group.

Backpacks are stuffed with pencils, crayons, notebooks, scissors, binders, glue sticks and other supplies needed to help kids in primary school up to high school.

United Way receives requests directly from local agencies (e.g. Bruce Grey Child & Family Services, Keystone Child Youth & Family Services, South Grey Bruce Youth Literacy, Community Living and Early Years) for Backpacks.

How Can I Help?

United Way of Bruce Grey relies on the generous support of our community members each year to keep costs for the Backpack Program as low as possible. Donations of school supplies and cash are gratefully accepted during our annual "Stuff the Bus" Drive. As well, supplies can be dropped off at the United Way office in Owen Sound, and financial donations can be made online at www.donatetoday.ca, at the office, through your Payroll Campaign or by calling (519) 376-1560.

Along with donations of funds and supplies, volunteers are needed to stuff backpacks and to deliver them to community pick-up locations. For further details, please call the United Way office.
