Unique Households 303
 2020-21 294

Average Household income over the years of data tracking

2015/16	\$	17,500.00
2016/17	\$	22,258.00
2017/18	\$	17,832.00
2018/19	\$	15,305.19
2019/20	\$	23,715.78
2020/21	\$	21,300.44
2021/22	\$	23,765.66

General Insights

- 14% increase in wood applications
- 136% increase in average arrears for Hydro One customers
- 32% of households have children
- 61% of the households are trying to manage on a single income

Household income Source

- 104 On a disability income
- 59 income from wages
- 58 Seniors' sources of income
- 36 Ontario Works
- 21 No Income
- 10 Employment Insurance
- 10 Other Income
- 3 WSIB
- 2 Self employment

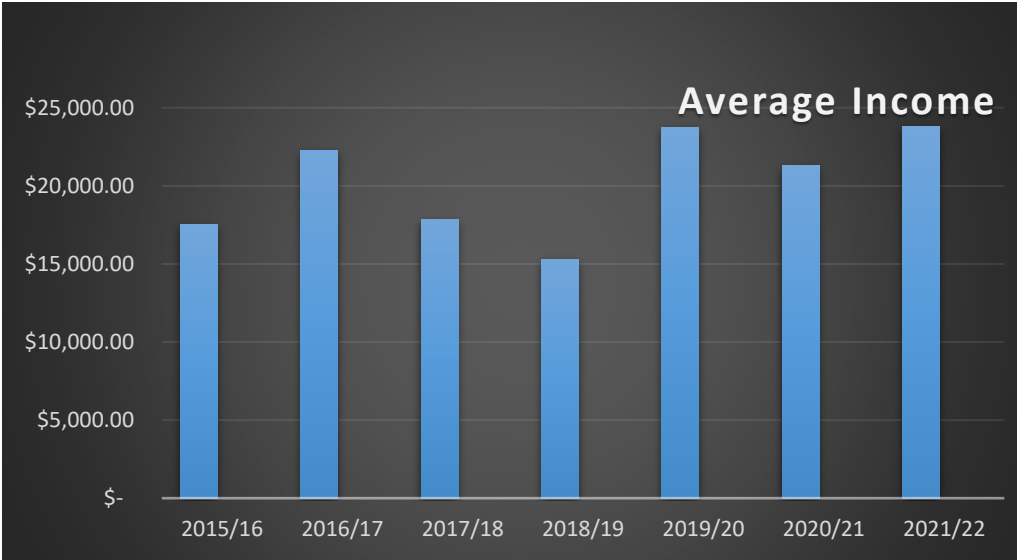

Household demographics

- 95 Single adults
- 53 2 or more adults, no kids
- 47 Single Parents
- 46 2 or more parents
- 37 Single Seniors
- 15 2 or more seniors
